This is the fourth draft presented to the Department of Resources (DoR) for their input, comment, direction, and guidance, dating back to 2014. The current LMP draft has now obtained preliminary approval, however for the Plan to reach finality, and become this Reserves' model from which to function into the future, it is necessary for you to assist with any inclusions you feel could be incorporated into the document, and your reason why.

You are invited to make comment, by quoting the "heading" and points numbers, and address them back to the Trustee email address mtgarnetreserve@gmail.com, who will acknowledge receipt of your comment.

Please go to <https://www.mtgarnetreserve.com.au/> follow the links to the LMP document. Hard copies of this draft document will be accessible as of the 15th of February 2023 at All -Tableland Regional Council Libraries.
